**Nuevo AstralPool**

# SPA COLLECTION

Your best ally for complete  
SPA maintenance

More and more users, seek to live a wellness and relaxation experience in their SPAS, making its maintenance and care crucial. **The new AstralPool SPA Collection** is introduced with the aim of providing users the peace of mind that their SPA will be taken care of, and in perfect conditions, so they can relax and enjoy.

Additionally, by treating and maintaining the water in perfect conditions, you won't have to replace the water after each use, contributing to water conservation and also to the environment by using packaging that is 50% recycled.
